Clear Matte Monomeric Permanent Adhesive Vinyl

With ColorPRO Technology (Product ID: CV201M)

ColorPRO Technology: The standard for color excellence in digital printing

- ColorPRO Technology, designed together with HP Latex printers and original HP inks, enables optimized printing system performance.

- Printing materials with ColorPRO Technology utilize innovations designed to optimize color vividness, sharpness, and durability on targeted digital printers.

- Printing Materials with ColorPRO Technology achieve exceptional quality and consistent performance through rigorous standards defined and monitored by HP.

Get the benefits of both a graphics media and an overlaminate

- Print high-quality, detailed graphics with this high-performance, monomeric vinyl.

- Matte finish for indoor and outdoor signs and low curvature window graphics.

- Also doubles as a clear overlaminate for printed images.
